

TEAM PROFILE

Clint Rogers

Clint Rogers

ACCOUNT MANAGER

“

I aim to provide a quality service that I can be proud of.

”

With a strong emphasis on superior customer service and strategic sales delivery, Clint is a trusted and respected member of the Solos Glass group, servicing clients in the NSW region.

Clint's strength lies in his deep knowledge and understanding of glass and glazing, amassing over 30 years industry experience. Clint completed his apprenticeship as a glazier, then worked his way through many roles from Site Manager to Sales Manager.

Through his practical hands-on experience, Clint understands the technical and construction deliverables of projects and is keen to share that knowledge with his clients.

An avid surfer, Clint is heavily involved in the surfing community in his hometown of Kiama, NSW, where he has helped develop the junior surf board riders. Clint was thrilled to be a part of the team instrumental in securing surfing championship titles for Kiama. Following this, Clint received a nomination for the Australian Citizen of the Year. Quite a mean feat, and a testament to Clint's focus and dedication.
