

TEAM PROFILE

LACHLAN MCKENZIE

LACHLAN MCKENZIE

SPECIFICATION REPRESENTATIVE

“

I like to see the opportunity in every challenge.

”

Lachlan has worked within the glass industry in excess of 14 years and it is during this time he has developed a wealth of knowledge and practical expertise due to his diverse portfolio of roles. These positions include Production Planner, Estimator, Account Manager and Technical Projects Officer.

Lachlan's previous work history has provided him with many opportunities to be involved in creative and imaginative projects, which have been integral to his journey. This new chapter sees him step into the role of Specification Representative at SOLOS Glass.

Lachlan is passionate about all things glass. His motivation, versatility and keen eye for detail allows him the ability to provide an exceptional service to our valued customers. Pushing the boundaries, providing solutions and exploring all the wonderful possibilities that glass has to offer on projects both big and small.

Outside of work, Lachlan enjoys spending quality time with his adored wife and two little boys. He thrives on creating new activities and games for them to play, going on great big adventures and making memories to last a lifetime.
