

TEAM PROFILE

MATTHEW MORRIS

MATTHEW MORRIS

NSW STATE SALES MANAGER

“

My clients are always my number one priority in every project.

”

Matthew Morris is the NSW State Sales Manager for SOLOS Glass. Matthew heads up the NSW Sales team and is responsible for strategic sales, delivering customer service excellence and building mutually beneficial customer relationships.

A key element underpinning Matthew's success is his extensive industry knowledge having worked within the glass and glazing industry for over 25 years. Matthew began his career as a glazier, forming his grass roots appreciation for all things glass. Whilst progressing through the ranks, Matthew has maintained his connection to glazing by also managing a team that offer supply and installation packages for internal glass partitions.

His capabilities and knowledge of both the commercial and residential sectors have reinforced his strength in his current role.

With his warm personality and down-to-earth approach, Matthew easily builds rapport with customers. He is quick to share a joke and is a passionate supporter of Collingwood FC (we don't hold that against him!). When Matthew is off the SOLOS clock, he dedicates his time to his passion of breeding and showing German Shepherds, successfully raising a number of champion show dogs over the years.
