She prides herself on her ability to work collaboratively with her customers and strives to deliver solutions with a clear emphasis on great customer service.

Tanya brings a level of integrity and transparency to each and every project she works on, making her one of our most trusted Account Managers.

Joining the SOLOS Glass team in 2015, Tanya is skilled in both commercial and residential market sectors. She has worked hard to create a culture of reliability and dependability.

Hailing from Surrey in the UK, Tanya has lived in Australia since 2011. She is a mad soccer fan, but her favourite role is that of ‘Soccer Mum’ to her son, with high hopes that he develops into a future Tottenham FC star. Move over Beckhams!
